

Register of Interests 2023-2024

Governors and Senior Postholders

Our Governing Body is committed to acting with integrity and impartiality.

To this end, we keep a register of the relevant business and pecuniary interests of Governors and senior employees.

We are also required to publish these interests on Heather Primary School's website in keeping with the requirements of the Department for Education.

What is an interest?

An interest is anything that could, or could be perceived to, sway your decision making or affect your ability to act in an impartial way.

For example, if you:

- are a Trustee or a Governor at a charity
- are a Trustee or Governor at another school or Trust
- work for a company that the school might engage the services of (e.g., a catering or payroll provider, contracted service, consultant)
- have a personal relationship with any Governors or employees of the Trust (e.g., spouse, partner, relative, etc.)
- have a partner who supplies services to the school
- have directorships, partnerships and employment with businesses

We ask our Governors to update the Clerk to Governors whenever their circumstances change so we can ensure our Register of Interests is accurate. We also table an agenda item at every meeting of our Full Governing Body and sub-committee meetings, asking Governors to declare any interests in agenda items.
