

I am Petabyte Safe

Year 6

I am kind and responsible

I contribute to shared rules and use them to support myself and others when we use technology

I acknowledge the sources of information that I find online

I support my friends to protect themselves and make good choices online, including reporting concerns to a trusted adult

I always communicate kindly and respectfully, working with others to help all enjoy their use of technology

I talk about the ways search results are selected and ranges, and check the reliability of websites I visit

I check the information about me online and know that some of it can be uploaded by others

I am safe and secure

I consider terms and conditions and adjust privacy settings to maintain control of my personal information

I explain how to communicate safely and responsibly with people I only know online

I protect my computer or device from harm on the internet

I explain how online friendships affect our feelings

I am healthy

I explain how images in the media affect how we feel about ourselves

I select age-appropriate apps, games and websites and explain the potential risks of making different choices

I support my friends in evaluating their use of games and devices and make good choices for myself

I explain how my data is used to target adverts towards me
